Immediate Release

In recognition of the improvement in COVID-19 cases, the Wright County Board of Health has approved the following modification to the emergency measures instituted 11/10/2020.

- 1) Masks are required in all public indoor spaces in Wright County. Masks may be removed for eating. When eating, maintaining a 6 foot distance from others who are not in the same group is recommended.
- 2) All other prior emergency measures are rescinded.

The Board of Health will continue to re-evaluate the above monthly. The expectation for masking is anticipated to remain in place until groups at high-risk for severe illness from COVID-19 have had the opportunity to be vaccinated.

Respectfully on behalf of Wright County Board of Health

Sandra McGrath RN

Wright County Public Health Administrator
