I. Definitions

"Adverse Determination" means a determination by us that a dental care service that is a covered benefit has been reviewed and, based upon the information provided, does not meet our requirements for medical necessity, and the requested service or payment for the service is therefore denied, reduced or terminated in whole or in part. "Adverse Determination" does not include a denial of coverage for a service or treatment specifically listed in plan or evidence of coverage documents as excluded from coverage.

"Final Adverse Determination" means an Adverse Determination involving a covered benefit that has been upheld by us at the completion of our internal grievance process.

II. Levels of Review

You may ask us to review our decisions about your benefits. In general, the following levels of review are available:

A. Internal Review

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we may have consulted who provided advice to us about your claim, and also request at no charge any clinical rationale relied upon by them for any benefit determinations related to clinical necessity.

The appeal review will be conducted by someone other than the person who denied the claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.
We will review your appeal promptly after we receive your request.

B. External Review - Standard

You or your authorized representative may file a written request for an external review with the Commissioner of the Iowa Division of Insurance within four months after any of the following events:

a. The date of receipt of a Final Adverse Determination;
b. Our failure to issue a written decision within thirty days following the date you or your authorized representative filed a grievance involving an Adverse Determination; or,
c. We agree to waive the requirement that our internal grievance procedures must be exhausted before filing a request for external review.

To obtain information about the external review process, contact:

Iowa Insurance Division
601 Locust St. - 4th Floor
Des Moines, IA 50309-3738

Telephone: 515-281-6348
Toll Free: 877-955-1212
Fax: 515-281-3059
eMail: iid.marketregulation@iid.iowa.gov

When filing a request for external review, you will be required to authorize the release of any medical records that may be required to be reviewed for the purpose of reaching a decision on the request for external review.

Within one business day after the date of receipt of a request for external review, the Commissioner shall send a copy of the request to us.

Within five business days following receipt of the request from the Commissioner, we shall complete a preliminary review of the request to determine whether:

a. You are or were a covered person at the time the service was requested or performed.
b. The service that is the subject of the Adverse Determination or of the Final Adverse Determination is not covered because it does not meet the requirements for medical necessity, appropriateness, or effectiveness.
c. You or your authorized representative have exhausted our internal grievance process, unless we agree to waive the requirement that our internal grievance procedures must be exhausted before filing a request for external review.
d. You or your authorized representative have provided all the information and forms required to process an external review request.

Within one business day after completion of a preliminary review, we will notify the Commissioner, and you and or your authorized representative in writing whether the request is complete and whether the request is eligible for external review. If we determine the request is incomplete, we will notify you or your authorized representative and the commissioner in writing that the request is incomplete, and what materials are needed to make the request complete.

If we determine the request is not eligible for external review, we will issue a notice of initial determination in writing to you or your authorized representative and the commissioner indicating the reasons the request is not eligible for review. We will include a statement in the notice informing you or authorized representative that our initial determination of ineligibility may be appealed to the commissioner.

Within one business day after receipt of notice from us that a request for external review is eligible for external review or upon a determination by the Commissioner that a request is eligible for external review, the commissioner will:

a. Assign an independent review organization from the list of approved independent review organizations maintained by the commissioner and notify us of the name.
b. Notify you or your authorized representative in writing that the request is eligible.

C. Expedited External Review

Expedited external reviews are available to you or your authorized representative for any appeals involving a situation where the time frame of an internal review or standard review procedures would seriously jeopardize your life, health, or ability to regain maximum function. Immediately upon receipt of notice of a request for expedited external review, we will complete a preliminary review of the request to determine whether the request meets the eligibility requirements for external review. We will then immediately issue a notice of initial

determination informing the commissioner, and you, or your authorized representative of our eligibility determination including a statement informing you or your authorized representative of the right to appeal that determination to the commissioner.

NOTICE OF PROTECTION PROVIDED BY IOWA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary description of the Iowa Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Iowa law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Iowa law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

Life Insurance
- $300,000 in death benefits
- $100,000 in cash surrender or withdrawal values

Health Insurance
- $500,000 in basic hospital, medical-surgical or major medical insurance benefits
- $300,000 in disability income protection insurance benefits
- $300,000 in long-term care insurance benefits
- $100,000 in other types of health insurance benefits

Annuities
- $250,000 in annuity benefits, cash surrender and withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $350,000. Special rules may apply with regard to hospital, medical-surgical and major medical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. If coverage is available, it will be subject to substantial limitations and exclusions. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements under Iowa law.

To learn more about the Association and the protections it provides, as well as those relating to group contracts or retirement plans, please visit the Association's website at www.ialifega.org or contact:

The Association is subject to supervision and regulation by the Commissioner of the Iowa Insurance Division. Persons who desire to file a complaint to allege a violation of the law governing the Association may contact the Iowa Insurance Division. State law provides that any suit against the Association shall be brought in the Iowa District Court in Polk County, Iowa.

Insurance companies and agents are not allowed by Iowa law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Iowa law, then Iowa law will control.

Dental expenses incurred by an individual on or after January 1, 2018, but before July 1, 2018, will apply to the Deductible Amount if:

a. proof is furnished to us that such dental expenses were applicable to the deductible under the Policyholder's dental insurance policy in force immediately prior to July 1, 2018; and

Nothing stated above, however, will act to provide coverage or increase benefits, when the Treatment Program is subject to any limitation shown on 9260.

PREMIUMS

TABLE OF MONTHLY PREMIUM RATES

Dental Care Insurance	$26.72 per Insured Person
	$51.24 per Dependent Unit
Orthodontic Insurance	$0.00 per Insured Person
	$9.04 per Dependent Unit

PAYMENT OF PREMIUMS. The first premium will be due on the Policy Effective Date to cover the period from that date to the first Premium Due Date. Other premiums will be due on or before each Premium Due Date. Premiums are payable at our Home Office or at some other location to which we and the Policyholder agree.

PREMIUM DUE DATE. The Premium Due Date will be the first day of the month that falls on or after the Policy Effective Date. If we agree with the Policyholder to the payment of premiums on a basis other than monthly, the Premium Due Date will be fixed to match the correct basis. If there is a change in the method of payment or Premium Due Date, a pro-rata charge in the premium due will be made.

PREMIUM STATEMENTS. The premium due as of any Premium Due Date is the number of units in force on such date for each type of insurance multiplied by the rate shown in the Table of Premium Rates. A premium statement will be made as of the Premium Due Date showing the premium payable. If premiums are payable on other than a monthly basis, each statement will show any pro-rata premium charges and credits in the last premium period due to changes in the number of Insureds and in the amount of insurance for which people are insured. This is subject to the rules below.

SIMPLIFIED ACCOUNTING. The premium will start on the Premium Due Date falling on or after the date the insurance or the increase in the insurance is effective for: a) a person becoming insured; or b) an increase in the amount of insurance on any person. The premium will stop on the Premium Due Date falling on or after the date of termination of insurance or through the date of service of the last paid claim. There will be no pro-rata charges or credits for a partial month. If premiums are payable other than monthly, charges and credits will be figured as though the Premium Due Date is monthly.

We will be liable for the return of unearned premiums (premium for the period which claims were not paid) to the Policyholder only for the 3 months before the date we receive evidence that a return is due.

ADJUSTMENTS IN PREMIUM RATES. We may change the rates shown in the Table of Premium Rates by giving the Policyholder at least 31 days advance written notice. We may change the rates at any time the Schedule of Benefits, or any other terms and conditions of the policy, are changed. We will not change the rates until the Renewal Date shown on the policy cover or more than once in any 12 month period thereafter, unless there is a change in the Schedule of Benefits or a change in any other terms and conditions in the policy.

Notwithstanding the above, We the Company reserves the right to change any one or more of the rates prior to the Renewal Date or more than once in any 12 month period thereafter upon the occurrence of any one or more of the following:

1. We determine that the average number of dependent children for each Insured with Dependent coverage exceeds 4.0; and/or

2. We determine that the number of Insureds is less than 80% of those Insureds initially enrolled under the Policy as of either (i) the Plan Effective Date, if during the period of time between the Plan Effective Date and the Renewal Date, or (ii) the most recent 12 month anniversary of the Renewal Date: and/or

3. We are required by either the federal government or by any state or local government or by any agency thereof to pay a new or increased tax, assessment, or monetary charge of any kind (other than a new or any increase to the amount of tax we pay based upon our net operating income). Such taxes, assessments or fees would include those that are charged or assessed in connection with the operation of a health care exchange authorized by federal or state law.

Should any of the above occur and should we elect to change rates as a result, we agree to notify the Policyholder of the corresponding rate changes at least 31 days in advance of the Premium Due Date for which the rate change shall be effective. The right to change rates as well as the timing of such changes in the above limited situations shall at all times be subject to applicable state laws and regulations.

Grandchildren, spouses of Dependents and other Dependent family members under the age of 26 are not eligible for coverage under this plan.

c. each unmarried child age 26 or older who is Totally Disabled and becomes Totally Disabled as defined below while insured as a dependent under b. above. Coverage of such child will not cease if proof of dependency and disability is given within 31 days of attaining the limiting age and subsequently as may be required by us but not more frequently than annually after the initial two-year period following the child's attaining the limiting age. Any costs for providing continuing proof will be at our expense.

A Non-Participating Provider is any other provider and may also be referred to as an "Out-of-Network Provider." Members are required to pay the difference between the plan payment and the provider's actual fee for covered services. Therefore, the out-of-pocket expenses may be lower if services are provided by a Participating Provider.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any full time active employee working at least 20 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Retirees are included in the Eligible Class for Insurance as defined by the Policyholder.

If both spouses are Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

1. the day he or she qualifies for coverage as a Member;

2. the day he or she first becomes a Member; or

3. the day he or she first has a dependent. For dependent children, a newborn child will be considered an eligible dependent upon reaching their 3rd birthday. The child may be added at birth or within 31 days of the 3rd birthday.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any full time active employee working at least 20 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Retirees are included in the Eligible Class for Dependent Insurance as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the date of employment.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

ELIMINATION PERIOD. Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.

2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.

3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before the date on which the dependent no longer meets the definition of a dependent. For those Dependents whose coverage terminates because they no longer meet the definition of a Dependent as a result of a limiting age (See "Definitions"), insurance will continue in force throughout the remainder of that year but will automatically terminate December 31 of the year following the attainment of that limiting age.

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

DETERMINING BENEFITS. The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

BENEFIT PERIOD. Benefit Period refers to the period shown in the Table of Dental Procedures.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

COVERED EXPENSES. Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be based on the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as covered under your plan, if services are provided by a Non Participating Provider.
3. the Maximum Allowable Charge ("MAC") as covered under your plan.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

ALTERNATIVE PROCEDURES. If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

EXPENSES INCURRED. An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a dental prosthesis or prosthetic crown. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.

2. a. for initial placement of any dental prosthesis or prosthetic crown unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such dental prosthesis or prosthetic crown must include the replacement of the extracted tooth or teeth unless the insured person is covered on July 1, 2018. For those Insureds covered on July 1, 2018, see b.

   b. Limitation a. will be waived for those Insureds whose coverage was effective on July 1, 2018 and

      i. the person has the tooth extracted while insured under the prior contract: and

      ii. has a dental prosthesis or prosthetic crown installed to replace the extracted tooth while insured under our contract;

         but such extraction and installation must take place within a twelve-month period; and

      iii. the dental prosthesis or prosthetic crown noted above must be an initial placement.

3. for appliances, restorations, or procedures to:

   a. alter vertical dimension;
   b. restore or maintain occlusion; or
   c. splint or replace tooth structure lost as a result of abrasion or attrition.

4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.

5. to replace lost or stolen appliances.

6. for any treatment which is for cosmetic purposes.

7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)

8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits provision found on 9260).

9. for which the Insured person is entitled to benefits under any workmen's compensation or similar law, or charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.

TABLE OF DENTAL PROCEDURES

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.
- Benefit Period means the period from January 1 of any year through December 31 of the same year. But during the first year a person is insured, a Benefit Period means the period from his or her effective date through December 31 of that year.
- Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review. Examples of procedures which may be subject to Alternate Benefits are crowns, inlays, onlays, fixed partial dentures, composite restorations, and overdentures. Examples of procedures which may be subject to plan payments based on consultant review are services related to oral maxillofacial surgery, fixed partial dentures, periodontics, and endodontics.
- Reference to "traumatic injury" under this plan is defined as any injury caused by an object or a force other than bruxism (grinding of teeth).
- Benefits for replacement dental prosthesis or prosthetic crown will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- We may request radiographs, periodontal charting, surgical notes, narratives, photos and/or a patient's records on any procedure for our dental consultants to review. Commonly reviewed procedures include: Periodontic procedures, Oral Maxillofacial Surgical procedures, Implants, Crowns, Inlays, Onlays, Core Build-Ups, Fixed Partial Dentures, Post and Cores, Veneers, Endodontic Retreatment, and Apexification/Recalcification procedures.
- We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.
- A pre-treatment estimate is not a pre-authorization or guarantee of payment or eligibility; rather it is an indication of the estimated benefits available if the described procedures are performed.

ORTHODONTIC EXPENSE BENEFITS

Orthodontic expense benefits will be determined according to the terms of the policy for orthodontic expenses incurred by an Insured.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Benefit During Lifetime shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured during his or her lifetime.

COVERED EXPENSES. Covered Expenses refer to the usual and customary charges made by a provider for necessary orthodontic treatment rendered while the person is insured under this section. Expenses are limited to the Maximum Amount shown in the Schedule of Benefits and Limitations. All benefits are subject to the definitions, limitations and exclusions and are payable only when we determine they are necessary for prevention, diagnosis, care or treatment of a covered condition and meet generally accepted dental protocols.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

ORTHODONTIC TREATMENT. Orthodontic Treatment refers to the movement of teeth by means of active appliances to correct the position of maloccluded or malpositioned teeth.

TREATMENT PROGRAM. Treatment Program ("Program") means an interdependent series of orthodontic services prescribed by a provider to correct a specific dental condition. A Program will start when the bands, brackets or appliances are placed. A Program will end when the services are done, or after eight calendar quarters starting with the day the appliances were inserted, whichever is earlier.

EXPENSES INCURRED. Benefits will be payable when a Covered Expense is incurred:

a. at the end of every quarter (three-month period) of a Program for an Insured who pursues a Program, but not beyond the date the Program ends; or

b. at the time the service is rendered for an Insured who incurs Covered Expenses but does not pursue a Program.

The Covered Expenses for a Program are based on the estimated cost of the Insured's Program. They are pro-rated by quarter (three-month periods) over the estimated length of the Program, up to a maximum of eight quarters. However, the first payment will be 25 percent of the total allowed Covered Expense. The last quarterly payment for a Program may be changed if the estimated and actual cost of the Program differ.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. for a Program on or after the Insured's 19th birthday.

2. for a Program begun before the Insured became covered under this section, unless the Insured was covered for Orthodontic Expense Benefits under the prior carrier on June 30, 2018 and are both:

   a. insured under this policy; and
   b. currently undergoing a Treatment Program on July 1, 2018.

3. in the first 12 months that a person is insured if the person is a Late Entrant.

4. in any quarter of a Program if the Insured was not covered under this section for the entire quarter.

5. if the Insured's insurance under this section terminates.

6. for which the Insured is entitled to benefits under any workmen's compensation or similar law, or for charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.

7. for charges the Insured is not legally required to pay or would not have been made had no insurance been in force.

8. for services not required for necessary care and treatment or not within the generally accepted parameters of care.

9. because of war or any act of war, declared or not.

10. To replace lost, missing or stolen orthodontic appliances.

COORDINATION OF BENEFITS

This section applies if an Insured person has dental coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expense.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for dental services or supplies:

    a. Any group or blanket insurance policy.

    b. Any group Blue Cross, group Blue Shield, or group prepayment arrangement.

    c. Any labor/management, trusteed plan, labor organization, employer organization, or employee organization plan, whether on an insured or uninsured basis.

    d. Any coverage under a governmental plan that allows coordination of benefits, or any coverage required or provided by law. This does not include a state plan under Medicaid (TitleXVIII and XIX of the Social Security Act as enacted or amended). It also does not include any plan whose benefits by law are excess to those of any private insurance program or other non-governmental program.

2. "Plan" does **not** include the following:

    a. Individual or family benefits provided through insurance contracts, subscriber contracts, coverage through individual HMOs or other prepayment arrangements.

    b. Coverages for school type accidents only, including athletic injuries.

3. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.

4. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.

5. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.

2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:

   a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.

   b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:

      i. the parents are married;

      ii. the parents are not separated (whether or not they ever have been married); or

      iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Dental coverage.

      If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

   c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:

      i. the Plan of the Custodial Parent;

      ii. the Plan of the spouse of the Custodial Parent;

      iii. the Plan of the non-Custodial Parent; and then

      iv. the Plan of the spouse of the non-Custodial Parent.

      However, if the specific terms of a court decree establish a parent's responsibility for the child's Dental expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

   d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.

   e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.

   f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and

2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

RIGHT OF RECOVERY. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from any persons or organizations to or for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

GENERAL PROVISIONS

NOTICE OF CLAIM. Written notice of a claim must be given to us within 90 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 90 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

CLAIM FORMS. When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

PROOF OF LOSS. Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90 day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible.

TIME OF PAYMENT. We will pay all benefits immediately when we receive due proof. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

PAYMENT OF BENEFITS. Participating Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Participating Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Participating Provider directly.

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed $5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

LEGAL PROCEEDINGS. No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than five years after proof of loss is required.

INCONTESTABILITY. Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

WORKER'S COMPENSATION. The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

CONFORMITY WITH LAW. Any policy provision that conflicts with the laws of the state in which the policy is issued, when the policy is issued, is automatically changed to meet the minimum requirements of those laws.

ENTIRE CONTRACT. The policy and the application of the Policyholder constitute the entire contract between the parties. A copy of the Policyholder's application is attached to the policy when issued. All statements made by the Policyholder or an Insured will, in the absence of fraud, be considered representations and not warranties. No statement made to obtain insurance will be used to void the insurance or reduce the benefits of this policy unless it is in a written application signed by the Policyholder or Insured. A copy of this must have been given to the Policyholder or Insured.

No change in this policy will be valid unless approved in writing by one of our officers and given to the Policyholder for attachment to the policy. No agent has the authority to change this policy or waive any of its provisions. Any change in this policy will be valid even though an Insured may not have agreed to it.

INSURANCE DATA. The Policyholder will furnish, at our request, data necessary to administer this policy. The data will include, but not be limited to data:

i. necessary to calculate premiums;

ii. necessary to determine a person's effective date or termination date of insurance;

iii. necessary to determine the proper coverage level of insurance.

We shall have the right to inspect any of the Policyholder's records we find necessary to properly administer this policy. Any inspections will be at a time and place convenient to the Policyholder.

We will not refuse to insure a person who is eligible to be insured just because the Policyholder fails or errs in giving us the data necessary to include that person for coverage. An Insured's insurance will not stay in force nor an amount of insurance be continued after the termination date, according to the Conditions for Insurance, because the Policyholder fails or errors in giving us the necessary data concerning an Insured's termination.

CERTIFICATES. We will issue certificates to the Policyholder showing the coverage under the policy. The Policyholder will distribute a certificate to each insured Member. If the terms of the certificate differ from the policy, the terms stated in the policy will govern.

PARTICIPATION REQUIREMENTS. There are two requirements that must be met in order for the policy to be placed in force, and to remain in force:

a. a certain percentage of all Members qualified for insurance must be insured at all times; and

b. a certain number of Insureds must be insured at all times.

The Participation Requirements are as follows:

Percentage of Members-	60%
Number of Members-	102

TERMINATION OF THE POLICY. The Policyholder may terminate this policy as of any Premium Due Date by giving us written notice before that date.

We may terminate this policy on the earlier of:

1. any Premium Due Date if the participation of Insureds and/or Dependents does not meet the requirements in "Conditions For Insurance." Written notice of termination of insurance must be given to the Policyholder at least 45 days before the date of termination.

2. any Premium Due Date on or after the first policy year, for reasons other than lack of participation. Written notice of termination of insurance must be given to the Policyholder at least 60 days before the date of termination.

If any premium is not paid when due, this policy will automatically be terminated as of the Premium Due Date, except as stated below.

GRACE PERIOD. This policy has a 31 day grace period. This means that if a renewal premium is not paid on or before the date it is due, it may be paid during the following 31 days. During the grace period, the policy will stay in force. If the Policyholder has not sent us a written request to terminate the policy and a premium is not paid by the end of the grace period, the policy will terminate at the end of the grace period. If the Policyholder gives us written notice of termination before the Premium Due Date, the policy will be terminated as of the date requested. The Policyholder will be liable for any unpaid premium for the time this policy was in force, including the grace period.

CONSIDERATION. This policy is issued to the Policyholder in consideration of the application and the payment of premiums specified in this policy.

TERMS AND CONDITIONS. Payment of any benefit under this policy is subject to the definitions and all other terms of this policy pertinent to the benefit.

Dental Utilization Review Program. Generally, utilization review means a set of criteria designed to monitor the use of, or evaluate the medical necessity, appropriateness, or efficiency of health care services. We have established a utilization review program to ensure that any guidelines and criteria used to evaluate the medical necessity of a health care service are clearly documented and include procedures for applying such criteria based on the needs of the individual patients. APPEAL PROCEDURE

If all or part of a claim is denied, you may request a review in writing within 180 days after receiving notice of the benefit denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we consulted who provided advice to us about your claim.

The appeal review will be conducted by the Plan's named fiduciary and will be someone other than the person who denied the initial claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request.

If your appeal is about urgent care, you may call Toll Free at 877-897-4328, and an Expedited Review will be conducted. Verbal notification of our decision will be made within 72 hours, followed by written notice within 3 calendar days after that.

If your appeal is about benefit decisions related to clinical or medical necessity, a Standard Consultant Review will be conducted. A written decision will be provided within 30 calendar days of the receipt of the request for appeal.

If your appeal is about benefit decisions related to coverage, a Standard Administrative Review will be conducted. A written decision will be provided within 60 calendar days of the receipt of the request for appeal.

If we deny any part of your claim on review, you will receive a written notice of denial containing:

a. The reasons for our decision.

c. Reference to any internal rule or guideline relied upon in making our decision along with your right to receive a copy of these guidelines, free of charge, upon request.
d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.
e. A statement that you may request an explanation of the scientific or clinical judgment we relied upon to exclude expenses that are experimental or investigational, or are not necessary or accepted according to generally accepted standards of Dental practice.
f. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

Certain state laws also require specified internal appeal procedures and/or external review processes. In addition to the review procedures defined above, you may also have additional rights provided to you under state law. Please review your certificate for such information, call us, or contact your state insurance regulatory agency for assistance. In any event, you need not exhaust such state law procedures prior to bringing civil action under Section 502(a) of ERISA.
